Kent Kuhler Coworker at Desert Community Robotics	Kent is part of the couple that owns Desert Community Robotics, and managed all the tech stuff. We worked together on a number of projects in a wide scope and he's been a very important mentor in my life. He's familiar with my general programming skills, my design skills, and my overall digital skillset. <ul style="list-style-type: none">• (480) 788-4471• kkuhler@gmail.com
Jojo Huckeba Former State Press Multimedia Director	Jojo was my boss at The State Press. She can vouch for my design, web presentation, and photography skill. <ul style="list-style-type: none">• (480) 253-0102• johuckeba@hotmail.com
Emily Belt Coworker in multiple projects	Emily and I have been working together on a wide variety of projects for years. She knows how well I work on a team and can speak to many of my abilities. <ul style="list-style-type: none">• (480) 287-0471• emilybelt6@gmail.com
James Quigley Hackathon team member	James and I have worked on multiple projects and won two hackathons together, he can speak to my HTML, CSS, and Javascript skills. <ul style="list-style-type: none">• (520) 870-7932• jaquigle@asu.edu
Susan Gilman IT Client at Gilman Law Offices	Susan runs Gilman Law Offices and teaches business law at Arizona State University. She knows me for my strong problem solving, experience with networking and virtualization technology, and clear and helpful explanations of technology. <ul style="list-style-type: none">• (602) 952-1233• sgilman@gilmanlawoffices.com
Courtney Beesch Current State Press Multimedia Director	I hired Courtney as a graphic designer when I was the Graphics Editor, but now, as Multimedia Director, she's my direct boss. <ul style="list-style-type: none">• (602) 509-8803• cbeesch@asu.edu
